AFTER TWENTY YEARS' WEAR

RU-BER-OLD ROOFING is still giving perfect service on homes, factories, barns and every other type of building. Roof all your buildings with

RU-BER-OLD

and you will put an end to repair bills. RU-BER-OLD will not rot, crack, or warp. It is uninjured by sparks, smoke and chemical fumes that would soon destroy ordinary roofs.

The RU-BER-OLD Roofing on the roundhouse at Gassaway, W. Va., is still as serviceable as when it was applied 20 years ago. The metal siding put on the same time began to fail five years ago.

E. G. Hudson, Chantable, Ga., writes: "Last year I bought and tried Foley Cathartic Tablets. I have tried many cathartics, but for a thorough cleansing movement of the bowels without the slightest inconvenience or sickening, I believe the Foley Cathartic Tablet the best on earth. It's a perfect cathartic, with no bad effects." Everybody suffers occasionally from indigestion or constipation, so Mr. Hudson's experience is worth remembering. Stout persons say these tablets relieve that "heavy" feeling. Frost's Pharmacy—adv.

You can
play P. A. both ways!

Prince Albert is a regular double-header for a single admission; a two-bagger with the bases full and two out in the ninth! Yes, sir, it pleases the jimmy pipe smoker just as it satisfies the cigarette roller! You can't put P. A. in wrong, because it has everything any man ever hankered for in the tobacco line! The patented process fixes that—and takes out the bite and parch!

Now, you listen to this nation-wide smoke news, men, because we tell you P. A. will come across like it was an old friend. You'll get fond of it on the first fire up, it's so good, and so cool, and so chummy!

PRINCE ALBERT

the national joy smoke

just let's you go-to-it all the day long without a come-back! And you don't have to take a correspondence course in tobacco smoking to understand how to smoke P. A. You take-to-it, natural like!

We tell you Prince Albert will put new joykinks into your palate! If you roll 'em, P. A. will sound a new note as to just how good the makin's can be! Realize that men everywhere—all over the world—are smoking Prince Albert tobacco. That certainly ought to put a lead-me-to-it whisper in your ear!

Prince Albert is sold everywhere in tippy red bags, 5c; tidy red tins, 10c, and in handsome pound and half-pound tin humidors; also, in that dandy pound crystal-glass humidor with the sponge-moistener top that keeps the tobacco at the high point of perfection.
